Urban's Matthew C. Marquardt, PE Appointed to the PENJERDEL Board of Directors

Philadelphia, PA - Urban Engineers is pleased to announce that Matthew C. Marquardt, PE, has been named to the board of directors of the PENJERDEL Council. Mr. Marquardt serves as a senior vice president and Urban's operations officer for the aviation, site/land development, facilities design and construction, and rail and transit practices.

"Through the years, PENJERDEL has been a proud advocate for mass transportation funding, airport expansion, and improved transit systems in our region," Mr. Marquardt said. "It is an honor to join the board of directors for this important organization."

For the past 50 years, the PENJERDEL Council has been dedicated to informing and educating the business community in the Pennsylvania, New Jersey, and Delaware region by leading and supporting issues and projects affecting infrastructure, mobility, sustainability, and growth.

With more than 25 years in the A/E/C| industry, Mr. Marquardt's expertise encompasses the management, design, and inspection of a variety of transportation and facility engineering assignments for both private and public clients. He is a registered professional engineer in 10 states and has served or is serving as a board member of American Council of Engineering Companies of Pennsylvania, American Society of Highway Engineers, and Villanova University Engineering Alumni. Mr. Marquardt earned a master's in business administration from Widener University and a bachelor's in civil engineering from Villanova University.
